JANET DOMINO

DEDICATION...

ADVISERS

HERMAN KAPNER

WE DEDICATE . . .

. . . this yearbook which symbolizes our achievements of the past four years and our expectations for the future to our SENIOR CLASS ADVISERS, Miss Janet Domino and Mr. Herman Kapner, who have given willingly of their knowledge, time, experience and patience to make our senior year a most memorable one, and to make West Side High School everlasting in our thoughts.

FRANCIS B. SNAVELY

PRINCIPAL

TO THE CLASS OF JUNE 1950:

Congratulations to the Seniors.
We wish you bon voyage.

Your honors will be set forth at various other places in the book. During your years the National Honor Society was established, West Side became a Senior High School. Marlene Bamert won the National Prize for her short story in 1949, our football, basketball, track and cross-country teams won championships, the playfield was surfaced, basketball was admitted as a major sport, the Green and White Association was organized. If you did not originate these, you helped make and establish them on a firm foundation. You formed friendships that you will enjoy for years.

You gained an education commensurate to your efforts. It was laid before you like a banquet. If you partook sparingly, it was in spite of the

EDGAR K. DAWSON

VICE PRINCIPAL

earnest efforts of your able teachers. If you tasted only the dessert, you may have lost your taste for the truly nourishing food that alone would give you strength for the future. If you partook fully of the solid intellectual viands spread before you, you are indeed ready for the next step in life.

You know now the race was not to the swift and that the careless hare who slept (perhaps in class) lost as did those who lacked perseverance and honor. Those who worked, who did their home work day by day, who attended regularly, who shared club memberships, who played on the teams, who ran the Westonian, the Honor Society, this Yearbook, the Senior Play, who played in the Band, sang in the Glee Club, who were lifters not leaners, YOU see the value in your growing ability in intellect, in spirit, and in physical stature.

Your future, too, will bring returns exactly commensurate with your efforts. Do little and you will live little. Hitch your wagon to a star and you will ride the heavens.

SAM BOYAR

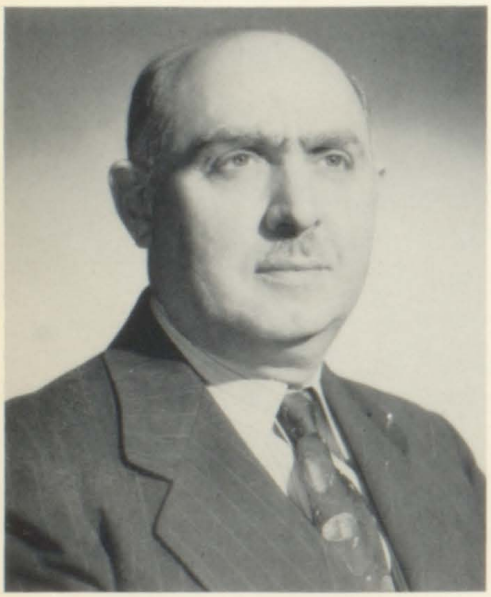

CLARENCE B. HOKE

LOUIS KRIEGSFELD

JOSEPHINE LEEDS

SCHOOL SONG

In morning light and evening fall,
Through all the days of coming years—
In times when glowing futures call—
In hearts with laughter and with tears
Our love for you will never die,
Oh, Alma Mater, West Side High.

Our love for you will never die,
Oh, Alma Mater, West Side High.
This love we have for you has grown
More bright than any treasured gold,
It deepens through each friend we've known.
Each truth that to our hearts is told
Within the shelter of your walls,
Within the rooms where wisdom calls.
Our love for you will never die,
Oh, Alma Mater, West Side High.
Though we have need to wander far,
Close in our hearts your name will be.
Your goodness, like a radiant star,
Will rise with every memory,
And having these sweet dreams of you,
We shall remember and be true.
Our love for you will never die,
Oh, Alma Mater, West Side High.

In morning light and evenfall,
Through all the days of coming years,
In times when glowing futures call,
In hearts with laughter and with tears,
Our love for you will never die,
Oh, Alma Mater, West Side High!
Our love for you will never die,
Oh, Alma Mater, West Side High!

ACTIVITIES...

G. W. A. OFFICERS

THE GREEN AND WHITE ASSOCIATION

During the term of September 1947 plans were made for a student organization. Delegates were chosen from each home room to attend a constitutional convention. The convention branched off into committees to plan a constitution and to discuss the various forms of constitutions in use in other schools. As the convention progressed, several names were suggested for the title of the organization. The names were then given to the students to decide among. A vote in the homerooms resulted in the choice of the "Green and White Association." (The G. W. A.)

Later a constitution was drawn up and approved by students and teachers. The G. W. A. definitely proposer to encourage the growth of good citizenship and self-government, to give to the students of West Side School a sense of

responsibility for their school, and to provide for the general welfare and betterment of the student body.

Among its achievements, the G. W. A. has since it's beginning sponsored dances varying from square dances to masquerade to plain ball room dances, all well attended and enjoyed. The G. W. A. has sponsored a "Handbook for Students" which has proved to be beneficial to new students as well as old. Also included among it's accomplishments is a system whereby points are given for extra-curricular activities.

We, the Class of June 1950, extend to the underclasses the very best wishes for their good fortune and trust that they will add to the list of achievements of the G. W. A.

SENIOR REPRESENTATIVE TO THE G. W. A.

My Sister Eileen

Presented by the

Class of June 1950

IN APPRECIATION

HELEN A. CLARKE

We, the Class of June 1950, wish to express our sincere thanks and gratitude to Miss Helen A. Clarke. Her tireless help and effort helped to make our yearbook what it is: a book which will preserve precious memories for us in years to come.

CLASS WILL

We, the Class of June 1950, being of unsound minds and suffering from undue influence, do hereby make this, our last will and testament:

To The Juniors

We leave all the nice new teachers to break in.

To The Sophomore Class

We leave the Biology classes and the bisecting of individuals . . . er . . . animals.

To All Male Members Of West Side

We leave the healthful Gym lockers with their fragrant atmosphere after a hard day of basketball.

To The Females

We leave the admiration and envy of Mrs. Offenkrantz's apparel.

To Mr. Ormond

We leave a 1960 fire-engine, red Buick convertible.

To Mr. Donner

We leave a sterilized window pole and doorknob.

To Mr. Long and Mr. Prag

We leave two pairs of Adlers.

To Mr. Spear

We leave fruit salad combinations.

To Mr. Dudas and Miss Domino

We leave those blue Mondays.

To Mr. Sperber

We leave a barrel of worms for all those apples he will continue to distribute.

To Mr. Peterson

We leave a bottle of Kyron.

To Mr. Amant

We leave a trip to "Ole Chipen."

To Miss Merville

We leave a phonograph record which continually reminds students in the library that quiet is completely necessary.

To Mr. Kapner

We leave the relief of not having to put boosters in alphabetical order.

To All The Teachers

We leave the scheming and planning of those tests which they know the students will fail even if they have studied and crammed the night before.

To Mr. Dawson

We leave those students who like to change their schedules two or three weeks, sometimes months, after the cycle has begun.

To Mr. Snavely

We leave students with a remarkable sense of humor or the ability to laugh at any, shall we call them jokes?, they chance to hear.

To Those Devoted To Chemistry

We leave the sweetness of hydrogen sulphide.

To The Janitors

We leave lockers full of . . . well, almost anything, from books to pin-up girls.

To Miss Clarke

We leave our full appreciation and thanks for her aid in making the year-book possible.

And last, but not least, to our Beloved School, the housing place of those who have trudged here through snow, sleet, rain, or shine . . .

We leave . . .

THE CLASS OF JUNE 1950
